PAULA & JASON -

Paula's husband sent us some rather risqué photos of the two of them having sex in a car by the beach. Mostly it was her giving him a hummer, but damn, if she wasn't good at it. We emailed back asking if she'd do it again for our cameras. She agreed, but when the photo session was almost over, she said she was so hot that she wanted her ass fucked. We all took a deep breath, long pause and said, "oh, hell yeah!"

DAISY & BASH-

I've come to Los Angeles to fuck some well-hung American men. My girlfriend was there and she was happy with who she encountered. She thought the male pool was much more horny than in the Midwest, and liked having more sex. Now I am here to find out for myself. I'm a pretty good fuck and can offer my skills. And now there's a photographer to document all the fun!

This past week I brought my car to Alex to fix. He's one heck of a mechanic, and he's also very busy. He initially told me he would only need it for a couple days, but when I called him about it, he kept saying, one more day, one more day. I found a way to make him hurry.

Love thy neighbour - and if he happens to be tall, debonair and devastating, it will be that much easier. ~ Mae West

Brooke is about to make a difficult decision pretend neighbors

RARELY DOES LIFE MIMIC A MOVIE. NOR DOES IT HERE.

Brooke is a beautiful and successful owner of an exclusive day spa and resort in Calabasas who has everything going for her, except love. Sad because of a recent breakup with her longtime boyfriend, Brooke is a little weary of dating again and shuns the advances of most men who show an interest in her. All the changes though when Ryan, a handsome musician moves in next door. Soon Brooke finds herself slowly falling for Ryan despite all her efforts to avoid falling in love again with the wrong guy, setting herself up for more heartache. What Brooke soon discovers so is that when it comes to love, sometimes you just can't help who you fall in love with....

I've been driving for four hours from the heart of San Diego into the nightmarish L.A. traffic. Thankfully today it wasn't as bad as I've seen it. I'm on the 405 headed north to the westbound 101 in Sherman Oaks. I turned off the 101 into Calabasas and found the address I was texted by the director Lucas. I had left at five in the morning not knowing what traffic would be like to make a nine am call time – for me. I found the street and there was already a hum of activity... cameras and lights laid out all along the location's long driveway. The crew was milling about making

sure everything is set just right. Chloe and Tiffanie are running through the sprinklers on the side yard getting warmed up for their brief fantasy sequence scene. The two laugh and play with one another in the water, their nipples getting harder with each cold splash of water that hits their bodies.

As I parked my car, I can't tear my eyes from the two women frolicking in the water, which makes it difficult to park straight.

Getting out and gathering my notepad, Lucas, the director, emerges from the house and greets me, "How you liking my little neighborhood so far?" I smiled, "I wish neighborhoods were really like this." I looked towards Chloe and Tiffanie who are now rolling around on the slip and slide and add, "With beautiful women running through sprinklers, frolicking around on their lawns."

Lucas laughs, "Well, today you can have that little piece of fantasy." I nodded in agreement as Lucas and I walked towards Chloe in the morning coolness and she greets me with a nice hearty hug as I get an introduction to her. The two almost naked girls begin to shiver and Lucas asked if they were ready to get their

Today, I'm here because Lucas invited me to the shoot because he wants recognition by my audience. This is his third movie and thinks it's a good one.

scene started. They both answer passionately and in unison with a big "Yes!" Chloe and Tiffanie are college roomies who are staying at Brooke's neighbor's house for the summer. The scene that follows is a fantasy

sequence set up scene. Even though the actual scene in the movie will be cut down to a couple minutes, I couldn't resist talking about it here because the scene was just too hot not to share with my viewers.

I guess I should tell you that I'm about 54 and writer for alternative media outlets around Southern California. They (whoever they are) say that my audience reaches about 3 million ears each week. Even to me, those are big numbers but I do try to keep it interesting for them. Today, I'm here because Lucas invited me to the shoot because he wants recognition by my audience. This is his third movie and thinks it's a good one. For me, it's my fifth porn shoot, but I haven't done one in over five or six years, so I was game for it. Okay back to what you really want to hear about...

Lucas turns to the crew behind him and announces, "Well guys, you heard the ladies, let's get rolling." Moments later, cameras are positioned and focused on the two girls playing on their sexy yet playful wrestling under the sprinkler. This playfulness quickly leads to an all-out hot and nasty sex romp. Chloe wastes no time diving into Tiffanie's wet pussy. Teasing her clit with her tongue as she jams four fingers into Tiffanie as she squirms and wiggles in the mist.

Tiffanie doesn't hold her squeals of pleasure as Chloe works her muff. Tiffanie flips her legs over her head and Chloe takes the queue, slipping her fingers deeper inside Tiffanie's kitty, working her fingers in and out

in a piledriver fashion. It doesn't take long before her finger-fucking action causes Tiffanie to cum with such a force that her moans of ecstasy echo throughout the sleepy suburban neighborhoods.

Once she recovers, Tiffanie kisses Chloe, an obvious 'thank you' for such a great orgasm. Tiffanie returns the favor wholeheartedly, diving in between Chloe's legs without hesitation. Tiffanie takes on a different approach to pussy licking using the old tongue flicker and tease technique, which drives Chloe wild. Alternating darting her tongue in and out of Chloe's pussy and quick licks her clit. Tiffanie slips a couple fingers into Chloe's kitty this time

causing her to go over the deep end with pleasure. It's only a matter of a few more minutes before exotica is moaning and grinding her hips into Tiffanie's face with the power of her orgasm.

Tiffanie smiles wickedly after the cameras stop rolling. I have heard of the tongue's prowess and ask Lucas if I can ask her about it. He motions her over and whispers in her ear. She grabs a towel to dry off and comes over and sits in Lucas' chair as he goes in the house to set up the next scene. "Tiffanie, I hear you have a mighty talented tongue." She laughs and rolls it around her lips and in and out of her mouth before saying anything. "So I've been told. I like licking pussy and have done enough of it that I know what it takes to get a girl off. You know that they're gonna love it, too." she says. We talk for a few more minutes about her talented tongue before a P.A. comes out and says he has to take our chairs into the house as they're pretty close to shooting the next scene.

I walk into the house with Tiffanie. She goes her way and I find the kitchen where the next scene is to be shot. Sitting in the breakfast nook is Brooke in the makeup chair. Her male co-star, Steele (yes, Steele, but his real first name is Bruce) is leaning on the counter

that she really enjoys the taste of his cock.***

sipping a soda, listening to Lucas as he positions the lights and and the three video cameras. A few other crew members are chatting away creating a low inaudible buzz in the smallish kitchen area.

Then Lucas announces, "Okay everyone, I think we're ready. Let's do it." Brooke takes her position outside the kitchen and on queue enters the room wearing black bustier with red ribbon ties and matching thong panty. She looked so hot pouring herself a cup of coffee as Steele knocks on the back door. She walks over, opens it and they talk for a second. There's obvious flirting going on and he comes in as she pours him a cup of coffee also. They talk and laugh through an animated session that will get quick cuts to establish the premise of the scene. Which is Brooke starting to have feelings for her neighbor.

Lucas yells cut after about fifteen minutes sayin g they fort the shot. Now it's off to the living room. Everything is already in position so they are ready to jump right into it. "Everyone settle." barks out Lucas. The doorbell rings and it's Brooke's ex showing up, asking to get her back. Brooke is shocked that her boyfriend has shown up begging to get her back. Steele doesn't want any part of this so he heads back into the kitchen. After the ex raises his voice to her again, it reminds her why they split and so she realizes that it is Steele that she is now in love with.

Brooke goes back into the kitchen, finds Steele and coaxes him back into the living room where she confesses her love for him. It takes a moment for Steele to respond but when he does there is a long pause. He stares into her eyes and they begin to grope each other, consumed with lust as Steele takes Brooke into his arms and begins to kiss her passionately. They stumble onto the overstuffed sofa frantically kissing one another and tearing each other's clothes off. The sexual tension between these two is apparently quite genuine as they get heated up for what follows.

Brooke, now totally naked, initially becomes the aggressor and drops to her knees to give Steele's cock a

loving going over and some manual stimulation. Then she gobble s up his member hungrily as it is obvious that she really enjoys the taste of his cock. With his cock now up and ready for action, he picks Brooke up and gently pushes her down on the sofa and opens her legs so he can return some oral loving to her. He teases and licks Brooke's pussy until it is wet and ready for the taking. Then he backs off and Brooke climbs

on the sofa and on her knees so Steele can enter her doggy-style. She squeals in pleasure with each thrust of his cock. The sound of sex echoes throughout the house as their sexual encounter becomes increasingly heated. Lucas nods behind the monitor in approval.

Brooke now flips onto her back and Steele pulls her legs up and she wraps her ankles around his neck. The cameraman closes in for a tight shot of Steele's cock entering her and the two proceed to continue with their zealous lovemaking. Only stopping their scene once, Lucas calling for a small change of lighting, and then they are back at it. Steele ends the scene with the obligatory pop shot on her stomach. Lucas is pleased with the scene. Brooke and Steele give one another a warm hug before parting ways and heading home.

Another day done and this reporter's lesson learned? Neighbors... sometimes love is right next door.

I entered a few butt-shaking contests and there were very few I did not win. But my butt has a little secret. It loves shaking down onto a cock that's hard and ready to take it. It's ready now for a new hard one. As far as I know he may be reading these words right now!

Anita sent us photos a couple months ago of her in a jungle setting where she was naked except for a skimpy loincloth, clinging erotically to a big thick vine. NEW DEHLI DELIGHTFUL

ON THE SCENE

This past summer my husband's company transferred him to New Dehli from Mumbai. He works for an American company, but I am from India. We met in Washington D.C. a few years ago when I was working as a translator for an Indian diplomat. The move has been traumatic and taken longer than expected. As you probably can guess, everything takes a little longer here. He's been away at work almost every day. I don't see him sometimes until after 9 at night and no matter how much I pleaded for him to get home earlier, it just didn't happen as often as it should.

One Wednesday afternoon, Razi shows up a couple hours early. He works for the same company and has been assigned to help us move in and get acquainted with the geography of New Dehli. He is very sweet, 28 years old and a mix of Indian/British parents. This is his fourth day and we're almost done unpacking. His first two days were very busy and with the oppressive heat, he worked with only shorts and sandals, and still sweated a lot. By today, my horniness was getting the best of me. I'm sure you can understand why.

His pecks were fabulous and I had on a pair of khaki cotton shorts that were a size too small, fitting my ass rather tightly. My thin white v-neck t-shirt rubbed against my nipples making them quite pronounced. Our eyes were teasing each other all afternoon and I felt all queasy inside. I felt he could read my mind. It was not difficult; my nipples were as hard as rocks and clearly visible through the top. His eyes were moving back and forth from my boobs to the boxes and back. I saw that his bulge was getting bigger. Suddenly, our small talk got quieter and definitely hotter.

"Maybe I'm being a little too bold," he said. "You're too beautiful, and I don't think I should be looking at you like this."

"Oh, I don't mind," I said, in a whisper.

Then he says, "I hope I haven't made you too uncomfortable."

I touched his arm and told him I actually found it very nice. It has been a while since any man has looked at me that way. "Well, standing here flirting with you isn't getting many boxes unpacked," he said as he touched my hair. He was slow to move away. I took a half step closer to him and caught his hand. I decided to get bold and make a move. I do not know where I got the nerve to be this bold as I had never

BLAIR-NTE-12

been before with any other man than my husband.

I sensed him become a little tense as I grabbed his arm and put it on my hips. He looked over at me and I smiled. My hand slid slowly to his crotch and gently squeezed his cock through his pants. I could see his bulge was massive. He then placed both hands on my face and brought my lips to his. I told him that we can't do anything here and in no time flat we were in my bedroom naked with him parting my legs and licking my pussy. He licked me from my clit to my ass. He went back to the front, and gently lapped at it, then eagerly sucked on my pulsing clit.

His tongue slipped between the folds of my labia, and then I thought I would nearly explode when he put two fingers into my wet hole, circling and licking my little pink button. Suddenly the tips of his fingers found my g-spot. From the excitement of it, my hips were bucking and pressing against his mouth. Before I knew it, I had cum against his mouth. From the ecstasy, my legs were in an involuntary spasm and I was cumming and groaning for more.

I finally managed to calm down enough to tell him I was ready to suck his cock, so he got on his knees in front of me. His cock was right in front of my mouth. I took just the head in and looked down the shaft. I figured it had to be at least eight long inches. It was uncut and rippled with large veins. I tightened my grip around his cock and rubbed its length up and down closing my hand around it and pulling his foreskin back and forth. Now, I was desperate to taste it some more so I lowered my head and slipped my tongue up the length and around the tip. A gentle groan came from his lips.

Encouraged I looked up into his eyes and deliberately and slowly opened my lips and took the entire length of his cock in my mouth. His eyes closed in ecstasy as I continued to take as much of hard cock into my mouth as I could. I felt his hand on my head as he pulled my head closer to take his cock deeper still. I loved the taste of his slimy pre-cum leaking from the tip onto my lips. His cock was not enough for my ravenous mouth. I started sucking, licking and teasing his swollen balls. Taking each of his heavy, hairy balls in my mouth and in turn teasing them with my tongue before returning to his shaft and tickling the throbbing veins on the

underside of his still rock-hard cock, then taking him inside my mouth as deep as I could.

I realized that I was groaning and moaning in pleasure as his fingers were squeezing and twisting my nipples. I sensed that he was as hard as he could get. I took my mouth off his dick and whispered that I was ready to get fucked. He did not need any more encouragement. Then, in one strong movement his arms pushed me onto my back. He placed his arms behind my knees and my legs on his shoulders.

Now was the time. I braced myself as he was going to take me completely and deeply. He kissed me and I felt the head of his unsheathed cock at my pussy hole as he pressed into me. He entered me slowly and I cried out, arching my back. I was gasping at the intense pleasure and pain of his fullness. With each stroke he went in further until he was fully inside me, stretching me beyond anything I've ever known! Finally he was fully lodged deep in my pussy. I breathed softly as he filled me and clamped my pussy muscles tight around the thickness of his cock. I felt his body tense as I grasped the length of his cock with my pussy.

We didn't move for over a minute, just enjoying the sheer physical pleasure of him being inside me. I squeezed him in a rhythmic cycle. A big cock stretching me is quite a turn on, but this cock, was meant to be enjoyed. My passion was replaced by the sheer sensual pleasure of sex. I put my hand down there again and I gently squeezed his shaft as he was moving inside me. Then with my finger, wet with our juices, I rhythmically rubbed my clit. My arousal was complete with uncontrolled moaning. He started to pound me so fast and hard that I came in buckets! I heard myself screaming for him to fuck me harder. I had never said anything like that before. He seemed to fuck me for hours and I came more times than I could count.

I could tell he was finally about to cum, as he strained against me. He buried his cock in me as far as it would go and flooded me with his cum. As he collapsed on top of me I could feel his seed leaking out, down my ass. I held him inside of me and simply enjoyed the feeling of his cock. As we caught our breath and kissed he withdrew ever so slowly. That's when I became aware that we were not alone in the room. My husband had come home and had been watching us quietly.

Cleaning house is my thing. I hate a dirty kitchen, but I love dirty men. I think about all the work it takes to wash the dishes, clean the oven, and get on my hands and knees to be sure my floor tiles shine. It's the same attention I like to pay to my man, especially the get on my hands and knees part.

FINGERS? I STILL NEED A MAN
